

## ESCAPE WINDOWS

### **PANTHER ESCAPE WINDOWS**

Panther Escape allows you to evacuate your home in seconds if a fire or other emergency takes place.

#### **BE PREPARED FOR EMERGENCIES**

You never know when an emergency will happen, but with Panther Escape you can have peace of mind that you and your family can escape safely if it does. Our escape windows are created with tough and durable materials that have been extensively tested against intruder force and environmental conditions.

**A Panther product won't just make you safe –  
it makes a statement!**

**Safety Screening System**

### SECURE, INNOVATIVE DESIGN

The innovative design provides complete security from the outside, while giving you one handed, single action operation exit from the inside

### ABOVE AND BEYOND THE REQUIRED STANDARDS

Exceeding all relevant Australian Standards, the sleek and stylish design can be installed in any home, blending perfectly with the surrounding features

Maintaining the highest standards of materials used and quality control out of our Panther Global manufacturing facility, the Panther Escape Window is in a class of its own and will enhance any residence for years to come.

Available also in our Panther Privacy Plus Option
